TO OUR CUSTOMERS:

We appreciate the continued patronage of our many customers. Listed in our latest revised catalog are many rare museum pieces, moderate priced collectors items, and low priced items for the beginner.

A number of unsold items have been reduced in price to assure a clearance.

Further supplements to this catalog will be mailed out when published.

Sincerely

Robert Abels

TERMS OF SALE

1. Cash with order. No C.O.D. orders except to customers known to me.
2. Merchandise is shipped via Railway Express, customer pays transportation. Small parcels except firearms shipped via parcel post, if sufficient charges are included. No charge for packing.
3. Money refunded without question, should goods not come up to your expectations, if returned within three (3) days of receipt.
4. It is wise to make second and third choice, should your selection be sold. Many items are one of a kind, others we have duplicates of.
5. Firearms and dangerous weapons not sold to minors, parents may order for them.
6. Future catalogs sent free to purchasers.
7. Your order shipped in proper turn, so if there is a little delay, you may be assured that yours will be sent at the earliest possible date. This also applies to correspondence.

CARTRIDGE REVOLVERS

NOTE: If your State requires a permit to purchase or possess a cartridge revolver or pistol, send same with order. If no license is required, use form on last page.

We Purchase Collections of Firearms As Well As Single Pieces

Visitors are welcome to the shop, open weekdays from 9:30 a.m. to 5:30 p.m. Advise in advance of your New York visit to assure the shop being open on your arrival.

In accordance with the regulations of the Federal Firearms Act of 1938 this statement, properly signed must accompany every order for firearm Percussion or flintlock arms excluded from this regulation.

I hereby state that I am a citizen of the United States and that I have never been convicted in any court of the United States, the several states, territories, possessions or the District of Columbia of a crime of violence, nor am I at present under indictment or a fugitive from justice.

Date.....

Signature.....

Age.....

The Federal Firearms Act was enacted as a means to prevent undesirables from securing firearms and in no way is it intended to keep the honest law-abiding citizen from securing whatever firearms he may wish to purchase for his protection or hunting.
